## Notes:

- 1 Ice rates vary by rink. Actuals are charged based on the rink used by the team. The sample budget uses a blended rate
- 2 Official costs vary by team level. Higher level teams require more experienced (and more costly officials). The sample budget uses a blended rate
- 3 Registration amounts vary by level. The sample budget uses a blended registration rate for illustration purposes. Team staff should adjust the registration credit to the actual registration cost paid
- 4 AMHA bills teams for ice, officials, administrative and jersey fees. Other costs incurred by the team such as team socks, tournament fees, etc. are at the discretion of the team. Examples have been provided for typical team costs outside of those charged by AMHA but teams decide these through discussion with team members (parents)

## Ideas for fundraising:

Banner sponsors
Apps that provide cashback on everday purchases (e.g. FlipGive) 50/50 ticket sales every home game ~\$50/game apple picking bottle drive sell frozen food, bars, etc. grocery bagging auctions etc....etc....etc....etc....
